On behalf of the Victorian Veterans Athletic Club and myself as a representative of the competitors I would like to thank the following people.

The Victorian Athletic Association and their officials.

The people who assisted these officials without whom we could not run a meeting.

The V.I.P.'s who so kindly gave their time to present our medals.

My committee members who organised the meeting and were responsible for its success and our hard working typists.

The St. Johns Ambulance people who were there in case of emergency.

The ladies who worked in the kitchen and the canteen.

The Caulfield Trust for allowing us use of their wonderful reserve.

Finally, Arthur Ellis Holden, for their generous support.

Now for a record breaking 1981/85 season with hundreds of new members, new venues, and new faces in all our coming Road and Cross Country Championships.

Thank you one and all.

Peter COLTHUP Hon. Sec
