

Winter Inter-Venue Track Challenge

Doncaster Venue – Tom Kelly Reserve, Melway ref: 33 J11

Sunday 5 August 2018 from noon

New in 2018 and keeping us fit during winter is the “Winter Inter-Venue Track Challenge”. A great opportunity for athletes preparing for the World Championships, and for others to represent their venue in 5-year age groups over a range of distances, including walks. Points are awarded for each performance, and venues compete for a fantastic perpetual trophy. The cost will be only \$5 for 1 event, or \$10 for maximum 3 events plus relay. Entry will open from July 1st on the Doncaster Masters’ website (provided below), and close on July 29. No entries on the day.

Quick facts:

- Fun and friendly atmosphere
- Distances (in order of competition schedule) are: 60m, 600m, 800m walk, 150m, 1000m, 1600m walk, 300m, 2000m, Medley relay (800, 400, 200, 200). **Events starting at 12 noon and every half hour after.**
- Entry open to VMA members to score points for their venue (i.e. venue nominated upon registration), others also welcome to compete via invitation.
- Volunteers from each venue required on the day (this keeps entry cost minimal)
- One athlete from each age group (male and female) to score points, others may score points in a younger age group or become ‘invitation’; we suggest Venue Managers (or nominee) to coordinate team allocations.
- VMA venues can reach out to 30 years plus athletes from local AV clubs to compete, using it as a recruitment opportunity.
- Athletes are asked to wear their venue uniform, otherwise they will be issued with a coloured singlet.
- Random prizes on offer!

KEEP THIS EVENT IN YOUR WINTER COMPETITION SCHEDULE! OR CALL IT THE START OF SOMETHING NEW LEADING INTO SUMMER!

More information?

- Information will be provided to your Venue Manager
- Postings on the Doncaster Venue website; www.mastersathleticsdoncaster.org.au
- Like us on Facebook - <https://www.facebook.com/events/1028919863942813/>
- Email: Graham Ford – gford@bigpond.com.au or Kath Gawthorn kath_gawthorn@hotmail.com

P.S. Video/electronic timing technology will be used at the Winter Inter-Venue Track Challenge: your lunge at the finish line will be rewarded!! Plus super-accurate times for your run.
