1998 OCEANIA VETERAN GAMES

The 9th OCEANIA VETERAN GAMES have been allocated to New Zealand and will be held in HAWKES BAY over the period 17-25 January 1998.

HAWKES BAY is on the east coast of the North Island of New Zealand and is easily accessible from Auckland, Wellington or Christchurch by plane, bus, train or by rental car. The Hawkes Bay region is noted for its agriculture and horticulture. Fruit is grown in abundance - so much so that the region is known as the "fruit bowl of New Zealand" and is equally famous for its wine. The infrastructure includes two cities (Napier and Hastings) each with populations of 55,000 and they are only 14km apart.

The "BAY" as a region is rich in history, culture and scenic attractions. The weather is often claimed to be the best in the country. Certainly the area is noted for its long, hot and dry summers.

The Games will feature a full track and field programme (including multi events) for men and women. In addition there will be a half marathon, cross country events and 10km road walks. All of this activity will be spread over a seven day period which will include at least one layday. All events will be split into the traditional five year age groups starting at age 40 for men and 35 for women. There will be events for preveterans who are defined as men aged 35-39 and women 30-34. There will be no qualifying standards. **Entry forms will be available in May 1997.**

The Games are primarily the regional championships for veteran athletes of the relevant Veteran Associations affiliated to the Oceania Association of Veteran Athletes (OAVA). These athletes have automatic right of entry. However veteran athletes from member countries of any of the other WAVA Regions around the world are welcome to compete but of course are not eligible to claim Oceania titles.

Good quality and reasonably priced accommodation with full facilities is readily available from a large number of motels in both Napier and Hastings. Other budget accommodation options will also be available.

PARLOUF RELAY

Inter-venue Challenge

East Burwood

Thursday 20th November 1997

A great night is promised for everyone: sprinters, walkers, runners, spectators and pancake connoisseurs. The program will include a 2km nominate own time walk, a 1600m parlouf relay and a 10km parlouf relay followed by a fantastic pancake supper. Trophies or prizes for all events.

Please note that the 10km parlouf is no longer a race just for the competitive or elite runners who are solely focused on running the fastest time. The Fun Run Section allows for teams of five to run an aggregate distance of 10km to a nominated team time in a minimum of three rounds (i.e. each member must run at least three times). There is no need for Fun Run teams to do 100 x 100 metre sprints like most of the challenge teams.

The program and race rules will be available at your venue by October.

This is a great opportunity to get together with your fellow club mates to enjoy friendly competition and plenty of chat. So please mark the date in your diary and start training now.

RESULTS FROM KNOX VENUE -OCTOBER

Knox Marathon Ditty

October 5 was Melbourne Marathon Day
A run around the city and down to the bay
finishing in the G.P. Pit Strait
Albert Park looking really great
Some made it on time others were late

He did no swim or bike ride
Dave's under 3 hrs joy was hard to hide

Rick also under 3 hrs with little to spare
His aching legs just got him there

Tom the young vet from the Emerald Isle
finished with a really big smile

No.10 for Dave was another plus
He runs a marathon with little fuss

This was not Des's best day
Handicapped in a different way

Gary was on for a very good run
When he hit the wall and ended his fun

No.20 for Chas in Spartan Gold
He finished feeling very old

Sharon our first lady to cross the line
Had no complaints about her time

Doctor Jock has done it all before
But this time under the magic four

Gerry also hoped for under four
Alas it took him a little more

Lyn's first marathon was no sensation
Her gutsy finish earned our admiration

No.20 was very hard for Vern Gerlach
He didn't want to give the Spartan Singlet
back.

THURSDAY 2 OCTOBER

A cold rainy night for the start of our final quarter program, it was difficult to get starters out for the Time Trial. 27 participants. Everybody was dodging the inner [flooded] lane for the sprints around the bend. GORDON[M60] stirred KEN[M40] to a final burst as he nearly caught him on the bend in the 150M. KEN,s style looks lazy but he always has something in hand if he decides to respond to a challenge. Starter MAL lost the staggers on the 300M start & lined them up on a curved line. JOHN STAUNTON & MARK MATHEWS were declared winners of the Speed-for-Age comp.

THURSDAY 9 OCTOBER

A lovely night for 41 participants. Good to see family involvement with a "little kids" & "big kids" heat for the 100M. T & F season starting soon & some even bigger kids were anxious to try their sprint form. Not quite sure what to expect with the Coach's sprint drills including sessions with the heavy punch bag! 9 participants fitted into 8 lanes for the 400M with BERNIE[M60] easily leading GORDON[M60] to make it safe for two in the inside lane. Some sore bodies from the weekends M & 1/2M creaked around the 4K & 8K distance runs. BARB[F60] thought 4K was far enough but then found a second wind.

THURSDAY 16 OCTOBER

Afternoon showers followed by a cold wind which greeted 33 participants but dropped as the night progressed. KEN[M40] produces one great effort each year - this time it was a 100M win that left everybody standing. MAL[M50] handicapped the little kids in the 200M. But, even little kids are too smart for a handicapper, & front marker, DAPHNE beat them all! Sometimes other considerations decides who wins - IVAN[M50], after many weeks of trying during his rehabilitation, caught wife KATE[F50] in the 5K. But somehow she got back in front again in the last lap - preserving domestic bliss!

THURSDAY 23 OCTOBER

A clear, stary night with just a hint of cold for 40 participants. ANDREW[M30] stormed away with his heat of the 100M. Non-VET ANTHONY's claim that he only ran second because he "stopped" was greeted with cries of disbelief. FRED[M45] & BRUCE[M45] fought out a close finish in the "fast" 400M heat. ROD[M55] is gaining a reputation in the "count your own laps" distance races. "Just one more lap to go - I think" & then after the race "Maybe I ran one lap short". Back to school ROD!
