### Lorne Weekend. 24<sup>th</sup> - 26<sup>th</sup> April 1998

The Altona Vets weekend at Lorne was a great success, with 28 people enjoying social activities, running, bushwalking and/or just relaxing. Participants arrived at various times on Friday, settled in, and undertook a taste test of the various coffee houses in town. (Chris's was declared the winner, with some others coming a distant last.) On Saturday, after the before-breakfast run, we went in various directions, some bush walking, some fruit picking, some on a re-run of the coffee test, and others to a well deserved rest. On Saturday Evening, we all enjoyed a meal together at a local restaurant.

On Sunday morning, we conducted another before-breakfast run, and most packed up and wended their way home, via coffee shops, pancake parlours, etc. One group completed another bush walk before a picnic lunch, then headed home.

## VICTORIAN VETERANS' ATHLETIC CLUB

In the year ended 31st March, 1974 the Club had 105 Competing Members comprising 54 New, 50 Renewals and 1 Associate who became a Competing Member as compared with 61 Competing Members and 3 Associate Members in the previous year. 9 Competing Members and 2 Associate Members did not renew their subscriptions, 1 Competing Member transferred to New Zealand and 1 Competing Member died.

No doubt the 54 new Members were attracted to the Club by the First Australian Championships.

The Membership growth has resulted in a surplus for the year of \$442.25 making Accumulated Funds now \$666.73

Due to the generous action of Ron Clarke in arranging for Marathon Footwear Pty. Ltd. (Adidas) to underwrite the Australian Championships we were able to break even on them. Substantial support was also received from the Federal Department of Tourism & Recreation and from the State Department of Youth, Sport and Recreation. Many other bodies assisted our Club and their help is gratefully acknowledged in the acknowledgements attached to the Financial Statements.

As a result of the assistance your Club received it was possible to conduct the Championships on the basis of a Registration Fee of \$8 for Victorians and \$5 for all other competitors, although the 1973 Annual General Meeting had authorised your Committee to set the fee at \$10 per competitor plus \$2 per partner attending the function at the conclusion of the Championships.

The 1973 Victorian Championships were conducted at a loss of \$22.75, Members' Subscriptions totalled \$525 and the remaining expenditure, being general running of the Club, exceeded the remaining revenue by \$60.

In view of the strong financial position of the Club your Committee is recommending that the Subscription be set at \$4, being \$2 for Membership and \$2 for the supply of the "Veteran Athlete". However the Committee invites discussion on this matter.

It has been suggested that consideration be given to the investment of \$600 in the current issue of Commonwealth Government Special Bonds with an immediate interest rate of 8% p.a. This would provide the Club with an income of \$48 p.a. in Interest.

OUT OF THE PAST.
