Tuesday 13 April was a night to remember at Caulfield – the lights for the track were not working. So, in order to get the meeting going, we had two cars at each end of the track and Paul Meredith sent out an SOS to his wife to bring in a spotlight. She jumped to attention and did this and we were able to conduct our meeting without any fuss – well, apart from missing the times for the 200 Mtrs sprint! Thanks Paul for organising this.

Sweet discovery

THE news for chocaholics keeps getting better – US researchers have found that chocolate is rich in compounds that prevent cancer and heart disease.

Dr Joe Vinson, of the University of Scranton, Pennsylvania, told the American Chemical Society in California that chocolate is rich in phenolics.

Phenolics attack free radicals, which damage DNA and are linked with cancer.

Just one 40g chocolate bar contains more than 30mg of polyphenols, equivalent to all the antioxidants in a day's worth of fruit and vegetables.

At the same conference, Dr Harold Schmitz – a chemist with the M&M's chocolate company – said flavonoid compounds found in chocolate were able to neutralise the "bad cholesterol" that causes heart attack and stroke.

**10th Oceania Veterans Championships
Norfolk Island January 16-23, 2000**

URGENT - URGENT - URGENT

The Games Organisers have advised that accommodation will be a problem. It is very limited and they have already received many booking enquiries. Do not think this popular event is still too far away and you will book later on. If so you will very likely miss out.

Because of possible shortages, AAVAC will not be taking "Expressions of Interest" and then arranging a group booking later but instead all those interested should make individual accommodation requests NOW directly to either:

- JCT Travel, Level 3, 45 Grenfell Street, Adelaide 5000
(Phone Karen Hearn on 1800 150122) Karen of course will also be able to arrange all your air flight requirements as well.

- Organising Committee, Oceania 2000
Box 158 Norfolk Island, NSW 2899

You can also E-mail your requirements to Norfolk Island on:
games@worldtraders.nf

There is also a web page which has a preliminary program and entry form on it as well as other details. Check on:
<http://oceania2000.nf>

SPECIAL NOTICE

DONCASTER venue will hold a special meeting on MONDAY night, June 28, the feature of which will be an attempt on the Australian records for 3km and 5km walks in the various age groups. The field will be restricted to a maximum of 10, so that the elite walkers will not experience 'traffic problems' in their record bids. Other walkers will be welcome to compete against the runners in the 3 miles ET. Three other ET events (100, 400 and 800) will be held and all will carry trophies kindly donated by Runners' World, of High St, Kew.
