EDITORIAL

Hello Member. This is the first of a series of magazines we hope to have for you at regular intervals, four times a year if things go allright. They will contain results of all our regular events, championships and special events, so that you will be able to keep them filed for future reference. I also hope to keep you abreast of news within the club, coming events and articles that may be worth reading, especially ones written by the members..

Also, I would like to make a few comments about our organisation for you to reflect upon and if you have any ideas, please send in your comments so that I can air them.

With regard to the World Games coming up, and I hope you have all sent in your entries because if you miss out on these events you will probably regret it for the rest of your life, I was very disappointed that we didn't take it upon ourselves to run the ladies pentathlon with the events that the great majority of senior athletes desire, instead of having the hurdles and the high jump because it had been done before. I doubt if we had decided to use our series of sprint, distance, broad jump, javelin and discus that W.A.V.A. would or could have done anything about it. Is W.A.V.A. anything but a paper tiger? What help was W.A.V.A in Rome when things were going wrong and what help have they been to us? What are your thoughts? Changes are usually for the better.

Recently a member suggested that the cross-country course would be better for the addition of some kilometer markers so we would know how far we had to go but the answer came back that cross-country courses are never marked thus. Would they help you?

If we didn't alter things we'd still be running in ten year age groups and the ladies would still be in a separate club. The V.F.L. would still have twelve teams and there wouldn't be a final five.

The Australian Association of Veteran Athletic Clubs has put forward a proposal that they receive two dollars from all members per year so that they can subsidise the Australian Championships in all states to assist the states who only have small memberships. Should we raise our subscription to subsidise Championships? Ed.

- Sunday 23rd Aug. Veterans' 10 Km Road Championship at Devilbend Reservoir at 10.30 am. Graydens Rd Reserve Moorooduc Sth. Melway 153 G5.

These events are open to all financial members of the Club wearing the official club uniform with medals to placegetters in all age groups both women and men. With our membership of about sixteen hundred members we look forward to all fit members supporting these events. Wouldn't it great to have a thousand starters one of these days. Perhaps it's just as well we don't. Regards to all. Ed.

"THE VETERAN ATHLETE"

Twelve months have passed since the first "The Veteran Athlete" was produced by Mike and Penny HALL and I'm sure you will agree with me that this paper has added a great deal to the prestige of the Veteran Athletic Clubs in Australia. Not only has it given us results from all the states, especially the Championships that they have run but a tremendous amount of club news and results that would have been lost along the way. With the overseas news and the photographs from many of our events it has been something to look forward to each month and to the people who haven't had a copy delivered regularly I can only say that you have been missing out on a lot of interesting information.

If you would like to have a copy of this excellent paper please enclose cheque/money order with subscription order and mail to :-

"The Veteran Athlete",
McInnes Road, Tynong North, 3813,
Victoria, Australia.

One year \$24.00, two years \$46.00 (including postage in Aust.)

If you have any views, news, information or photos that you feel would be suitable for publication, send to the above address together with S.A.E. for return of photos or material if required. Ed.

IMPORTANT

ENTRIES FOR VII WORLD VETERANS' GAMES.

IMPORTANT

Entries for the Games must be received by "VII WORLD VETERANS' GAMES, P.O. BOX 282, ESSENDON 3040, VICTORIA, AUSTRALIA, at the above address no later than 31st August 1987. This means you have only about six weeks to get your entry in. Don't leave it to the last moment, it makes it difficult for the organizers if you do and there is always a chance you will miss the closing date and the chance of a lifetime to compete at the highest level against competitors from all over the world, on your own turf. Don't be put off by the cost, it's cheaper than it was in ROME and it's something you will have to remember for the rest of your life.

HOST AN OVERSEAS VETERAN

The idea of "Host an Overseas Veteran" is to invite one, two or more visitors into your home for a meal, or out to dinner, or even taking someone out for the day up the hills, or sight-seeing around our city.

There will be forms available in the next months so that you can fill in which age group, nationality, interest and number of people. You will be able to suggest which date is most suitable for you and leave your phone number for confirmation.

The idea is that after we receive all the filled in forms they will be placed in a special "Host a Vet." room at Olympic Park for our overseas visitors to browse through and choose the family they would like to meet. They will then ring and make the arrangements.

This will give all our members and/or their friends, Host a Vet. is open to anyone who would like to do so, a chance to show our visitors just how friendly Australians are.

The idea proved very popular at the 1Vth Veterans' World Games in New Zealand in 1981.

If you would like to make someone welcome in your home for a few hours please contact - Marge COLTHUP 795 1169
or Moira RYDE 700 2888

Thank you,

Marge COLTHUP, Convenor of Host a Vet. Committee.

VIDEO OPERATORS FOR THE WORLD GAMES NEEDED

We are much in need of volunteers for the forthcoming World Veteran Games in Melbourne for video operators in possession of their own equipment. A number of such people, with camera, Porta-Pak, Battery Packs and facilities are required for both track and road distance events. So if you can help, or know anyone who can, we would be very grateful for help in this technical area of our official organisational body. Please forward relevant details to:

Richard Todd,
Co-ordinator of support officials,

ANNUAL DINNER DANCE:

This popular annual function is again going to be held at the Rialto Receptions, 12 Fitzroy Street, St.Kilda on Friday 16th October 1987 at 7pm. The cost per head is \$22, a very reasonable price which covers a three course meal and all drinks are provided. Dancing from 7pm to 12pm. Contact your venue manager for tickets or make up a table of friends yourself and call Ted McDonald for tickets, on 787 1489. It was a great turn last year. Come and enjoy yourself!

A reminder about signing up for the BUSH BASH, final farewell function at the World Games. It is to be held at Melbourne University from 3pm on Sunday 6th December, after the marathon. We are planning a great Aussie atmosphere with spit roasts, salads, damper, sweets provided plus all drinks. Bush bands, buskers, hay rides, boomerang throwing demonstrations etc. will keep us entertained. Come and make it a great day. \$25p/h.
