## AMA National Championships, Blacktown Easter 21-24 March 08

The setting for the 36th AMA National Championships hosted by NSW Masters was Blacktown Olympic Park (a pre-Olympics training venue and the site of the Baseball and Softball competition). The recently resurfaced track and throwing areas were very good and seating and viewing from the Grandstand was excellent. The weather for the first two days was showery and cool but improved with Monday being mostly sunny and warm. The 8k cross-country races were held on a 4 x 2 km loop grass course at Parramatta (about 25 km from the stadium) and the 10k and 20k walks were held at Greystones (about 14 km from the stadium) on a 1 km out and back course. A shuttle bus was available to take athletes to the courses.

A highlight of the Championships was the number and high quality of photos of athletes. Photos-in-a-flash lived up to their name by having photos of an event catalogued, available, and easy to find on a computer screen or with friendly help almost before an event was finished. The meet generally ran on time and this was in no small part due to the hardy officials in their distinctive purple and yellow shirts and the many volunteers in their red tops. The officials were unfailingly polite, friendly and helpful. This was particularly noticeable at the speedy medal presentations where every athlete wants their presentation next and as soon as the race is finished. For most part the results went up very quickly and where they couldn't be blown away, and medal engraving was readily accessible, speedy and of high quality.

The number of VMA members attending was 62 which was very small considering the location and our membership. More than the usual number seemed to be nursing injuries or tearing a muscle in hard-fought competition. This made the free massage available on the first two days most welcome and, although mainly aimed at pre-event loosening-up, would probably have been heavily used, together with ice, on the last two days. So small was our number and so short on sprinters, especially with injuries, we were only able to raise one relay team a Men170 + 4 x 100m that placed third. However, there were gutsy performances by many athletes including Terry Hicks (M50) who just held off 3 other athletes in the 800m then failed by a 100<sup>th</sup> in the 400m. It was great to see the enthusiasm of younger athletes such as Damien Downing (M30) who picked up gold in the long jump and hurdles.

The number of VMA athletes competing in throws numbered only 14 with five of these being multi event performers competing in sprints, hurdles and/or jumps as well. The leading throwers were Graeme Rose, Tom Hancock, Christine Bridle, and Stan Stankovic.

## NEW VMA WEBSITE

It is my great pleasure to announce the launch of the new VMA website.

Our webmaster Ralph Bennett has done a great job putting the new site together and I'm sure that you will agree it not only looks good but is also easy to use and contains lots of useful information and links. The world is relying more and more on the internet for information and our new site and domain name should serve us well in the future.

Please take the time to try out the different features, in particular the Venue Schedule Calendar and the Events Calendar which will keep you up to date with upcoming events.

New location maps will show you how to find a venue and the link to the IAAF handbook will ensure that you have access to all current rules.

Ralph has prepared a guide for contributors so that you know how to prepare articles for inclusion on the website.

Would all venue managers please publicise this widely at your venue over the coming weeks and encourage your members to check the website regularly.

Our new domain is [www.vicmastersaths.org.au](http://www.vicmastersaths.org.au)

Regards,

**Alan Lucas**  
Vice President

**VMA T&F PENTATHLON CHAMPIONSHIPS 2008**

The T&F Pentathlon was held at Duncan McKinnon on 24<sup>th</sup> February with some very enthusiastic competitors.

Competition was very keen with final positions being determined in the last event in some age groups. Graham Phillpott created an unusual record in winning the M60 event for the 6<sup>th</sup> time. One day before his 65<sup>th</sup> birthday.

An unfortunate incident took place before the discus event when Stan Stankovic was struck on the head with an errant discus. An ambulance was called and he was duly despatched to Monash Medical where he received 7 stitches in the wound and was sent home with no serious after effects.

Many thanks are extended to the Throwers group who set up the equipment and helped with the conduct of the event. Others who helped on the day included Nola Bradford, Peter McGrath, Wasyl Drosdowsky and Graeme Noden.

**AMA National Championships, Blacktown (cont.)**

The VMA team between them won 150 medals (71 gold, 46 silver and 33 bronze) with the leading performer being multi eventer Christine Bridle (W50) with a staggering 11 gold, 3 silver and 2 bronze. Others to do well were Stan Stankovic, M85, (7G, 6S), Sue Chapman, W45, (6G, 1S), Rob Lewis, M80, (4G and also setting 3 Victorian records), Graham Philpott, M60, (4G, 2S, 1B), Graeme Rose (5G) and Tom Hancock (4G, 2S, 2B).

The Championship events were keenly contested with the Sprint Championships being won by NSW athletes Neville McIntyre (M65) and Gianna Mogentale (W40) respectively. The Roy Foley Trophy for men and women were won by Felix Jakobsen (M85) from Queensland and Jayne Hardy (W45) from ACT respectively. The Champion of Champions weight throw for men and women were taken out by Graeme Rose (M60) and Raylea Rudov (W60) from ACT respectively. A new award was presented this year. This was the Brian Foley award for the best age-graded performance either by a man or woman in the 800 or 1500m event. The award went to David Carr M75 of Western Australia. David also set a new WR in the 2000m steeple.

The Coaching and Athletes forum were held at the track. The coaching areas covered were jumps and throws. Both speakers gave valuable advice for improving technique in long and high jump and for hammer and discus. The Athlete's Forum gave athletes the opportunity to question the AMA Board and raise issues about the program and facilities provided by the organisers. The Board use this feedback to improve instructions to the next LOC and to ensure that improvements will be made. Numbers were small at both.

A feature of the Championships is the Relays and there were many great performances not the least being the successful attempt to beat the W35 4 x 100m world record with a time of 47.74s by a composite team from NSW and Queensland.

The Dinner Dance and awards night was held at the Rooty Hill RSL. The RSL is attached to the Holiday Inn where most athletes stayed. A shuttle bus took athletes to the ground some 4-5 kilometres away. The Dinner dance was a great time to share with friends and celebrate the special athletic achievements of those athletes who won AMA awards for 2007 or win one of the many prizes for answering athletic trivia questions. VMA came away with three awards. Distance: Theresa Baird (W65); Jumps: Dawn Hartigan (W50) and Most Outstanding Male Athlete: Andrew Jamieson (M60). Graeme Rose gave a very positive plug for the Postal Relays which generated a lot of interest amongst athletes. Please pester your venue manager for details as next February approaches. Bob Banens outlined the AMA Hall of Fame proposal and alerted members that nominees would be called for in the near future.

Next year the AMA Nationals are in Adelaide followed by Perth in 2010.

**Results of the National Championships will appear in the July issue.**
